1. AAMOC is an **enrichment** program intended for enthusiastic students who are committed to spending time and effort to develop the skills to compete in a series of challenging mathematical tests (MOEMS and AMC competitions).
2. AAMOC is a registered non-profit organization that is run 100% by volunteers. Parents and students are required to volunteer time & effort to support the AAMOC mission.
3. A signed registration form (commitment) along with payment for costs must be submitted before attending classes. **AAMOC has a no questions asked honor system, NEED-based scholarship program (limited to AAMOC Cost Share Fee ONLY AND for student after finishing the first year, i.e., second year or beyond).**
4. Access to AAPS building/classroom, available to members at minimal cost, is a privilege that is vital to AAMOC existence as a popular volunteer organization in the way that it has been for the last 17 years. Every year AAMOC leaders make a full faith commitment to assure AAPS that AAMOC members will **Respect AAPS teachers, Classrooms, and Property**; specifically, members will not take food/drink into classrooms/auditorium; will stay within permitted rooms and areas; will not disturb any classroom arrangements; will not use AAPS teachers' supplies and **will maintain the area clean, safe, and ready to teach and learn for AAPS teachers and students.**
5. Each student MUST also Commit to:
    a. Arrive on time and prepared
    b. Actively participate in the class
    c. Wear AAMOC T shirt for every class
    d. Submit homework on time
    e. Take notes in a notebook for the weekly lectures and maintain an organized folder of all work
    f. Follow all AAPS student rules related to health and safety while at AAMOC classes/events
    g. Do his/her part in honoring the AAMOC commitment for the facility use
6. The program is all about students learning. It requires significant parental support for students to succeed.
7. We will strive to make the environment supportive and fun for the Mathletes. Opportunities for homework help are available immediately after classes. We try to plan fun events whenever possible.
8. Placement tests will be used to assign students to sections appropriate for their math skills.
9. You may withdraw from the program at anytime for any reason. If you withdraw from the program before the end of 3rd class, your AAMOC fee will be refunded (deposit and AAPS Cost Share are non-refundable). No return on textbooks.
10. We welcome parents to participate in the classroom along with the children and take advantage of their learning process so that parents can adequately assist them in their development at home. At least one parent or a designated guardian must be present in the school premises to ensure the safety and good behavior of the student.
11. Children may ask questions during the class. Parents are encouraged to ask questions after class.
12. Check the AAMOC website for inclement weather class cancelation – after 7:30 AM on scheduled class dates. There will be no make-up for a cancelled class.
13. Please inform your instructor as soon as possible if you missed a class or are unable to attend a class. Your teacher may provide you materials/instruction to work at home.
14. Parents, please make sure that your younger child completes the homework prior to the due date.
15. The parents/guardians are responsible for their child(ren)'s behaviors and actions, including damage to school property.
16. Each student with at least one parent MUST attend the end of the year ceremony and stay until the end of the program.
17. ***Members in gross violation of the above rules and/or lack of commitment (such as un-excused missing 3 classes/homeworks in a row, irregular/<80% attendance) will be asked to give up their place to others.***
18. ***Students must meet each level minimum requirement before advancing to a higher level.***
